The Enrolment Scheme and associated Zone directed by the Ministry of Education continues for 2022. A copy of the scheme is enclosed, as well as a map and description of the zone on the back of that page. On the Application to Enrol form you must indicate whether it is an in-zone or out-of- zone enrolment. If it is an out-of-zone-application you must also indicate which category you wish to enrol in (see right for categories).

SEC will be unable to accept OOZ enrolments for 2022 if there are 25 students enrolled in the Special Programme.
