

TRIDENT HIGH SCHOOL

Out of Zone Enrolment

2023 APPLICATIONS

The Board invites applications from parents who wish to enrol their children at Trident High School for 2023.

Enrolment at the school is governed by an enrolment scheme, details of which are available from the school office and on our website. Application for places must be submitted on the Trident High School application form available from the School Office.

The Board determines the number of spaces available and if there are more applicants than the number of places a ballot will be held.

- Category 1 - SEC will be unable to accept out of zone enrolments in 2023 as there are 25 in zone enrolled students. Student enrolment of in zone applicants above the cap of 25 will require the establishment of an additional specialised programme on the school campus.
- Categories 2 – 6 – Number of spaces 50

If the number of Out of Zone applications exceeds the number of places available, students will be selected by ballot except in the case of special programmes, where the criteria in the enrolment scheme apply.

Out of Zone applications deadline is **6.00pm Thursday 27th October** and all Out of Zone enrolment interviews must be completed by this date. If a ballot is required it will be held on Friday 28th October. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.
