Responsible to	HOD TE AIŌTANGA, PRINCIPAL
Working Relationship	TE AIŌTANGA STAFF, DEPUTY PRINCIPALS
Position	SCHOOL BASED HEALTH NURSE
Commencement	

### Job Description

Fixed Term, part time 19 hours per week.

**Primary Aim :** To operate and manage the school Nurse clinic at Trident High School in accordance with the principles outlined in the attached Employment Agreement.

**Our Values and Beliefs :** A genuine empathy for Māori and a commitment and ability to provide a culturally responsive environment that will maximise Māori student success.

### Key Competencies

Professional Requirements:

- Confidentiality is maintained.
- High standard of written and oral communication skills
- Work collaboratively as a member of the Te Aiōtanga team
- Open to learning and master new skills
- Be flexible to cope with the varying demands and changes in the role.

Interpersonal Skills:

- Friendly and welcoming in all contact with students, staff and community
- Enthusiastic with a 'can -do' attitude
- Committed to the core values of Trident High School
- Proactive in providing support to other staff.

### Specific Tasks

KEY TASKS	
Nursing Services	You must be a registered nurse with a current practicing certificate at all times. You will be expected to provide general nursing services to students during school/clinic hours and support to the GP who will attend at the clinic for two hours a week at times agreed. You will also be responsible for managing student appointments with the GP for the GP clinics.
Referral Services	You will be expected to provide appropriate referrals of students to other health services/providers (e.g. social services, mental health services, dental services and, if

	appropriate, hospital services) within the protocols of Trident High School.
General Health Education	You will be required to implement general health education programmes as approved by the school board. This may include supporting seminars/teaching health classes and participating in other health promotional activities.
Advisory	You will be expected to provide appropriate referrals of students to other health services/providers (e.g. social services, mental health services, dental services and, if appropriate, hospital services) within the protocols of Trident High School.
General Health Reporting	You will be expected to report to the school board and Eastern Bay of Plenty PHO Ltd (the "PHO") on health issues affecting the students.
Liaison Co-ordination	You will be the key liaison between students and their family/whanau, the school board, the GP and the PHO regarding provision of the services referred to above. It is essential that you follow the protocols of Trident High School with regard to working with other agencies.
Co-ordination	You will co-ordinate, as required, such health promotion strategies and activities agreed to by the school board, the PHO and the GP.
Management	You will be responsible for managing clinic resources to ensure reasonable resources are available to facilitate the efficient and effective provision of these services. To the extent necessary, you will liaise with the school board regarding adequacy, cleanliness and efficacy of clinic facilities.
Service Objectives	In performing the tasks set out above, you will keep in mind and attempt to promote the service objectives and Maori Health Service objectives referred to in the Service Specification.
Legal obligations	You will comply with all statutory, regulatory and other legal requirements insofar as they are applicable to the performance of your obligations under this agreement, including the Privacy Act 1993 and the Health Information Privacy Code 1994 and the Code of Health and Disability Services Consumers' Rights.
Information and Reporting	You must comply with the information reporting requirements set out in Schedule 2 and will keep in a secure place a comprehensive and accessible record of every young person using the Service. The record will include documentation of the services provided to the young person to a minimum of the standard required in.
